

Let's break it down

Title IX gained popularity from the first clause: “No person in the United States shall, on the basis of sex, be excluded from participation in, [or] be denied the benefits” because of how it applies to athletics and funding for athletics.

rilex

No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance.

The next clause, “Or be subjected to discrimination under any education program or activity receiving federal financial assistance,” protects individuals from gender-based discrimination.
