***No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance.***

# Title IX

Let's break it down

The next clause, “Or be subjected to discrimination under any education program or activity receiving federal financial assistance,” protects individuals from gender-based discrimination.

Title IX gained popularity from the first clause: “No person in the United States shall, on the basis of sex, be excluded from participation in, [or] be denied the benefits” because of how it applies to athletics and funding for athletics.
