

Why are the numbers for  
male survivors so low?

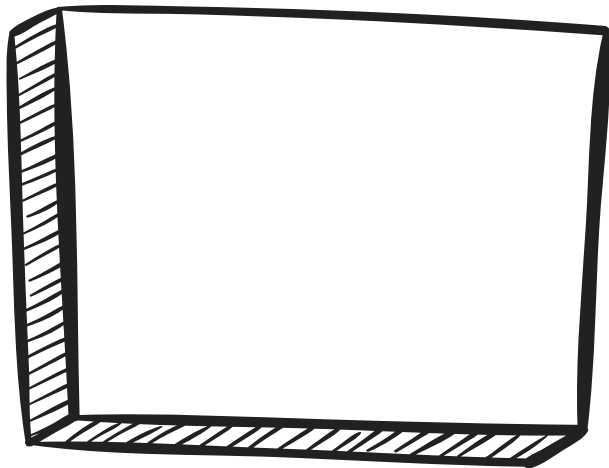

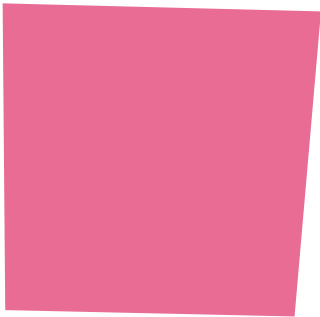

They think that  
no one will  
believe them

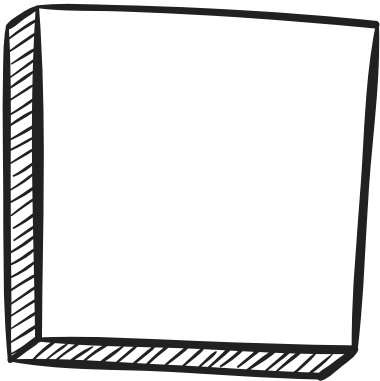

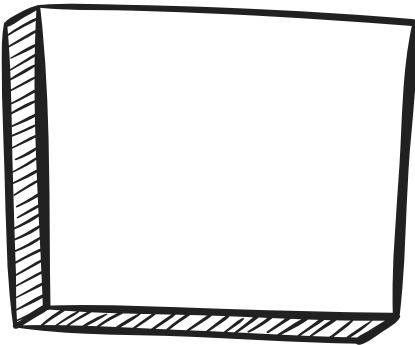

They believe it is a  
personal matter

They think their  
experience is not  
important  
enough to report

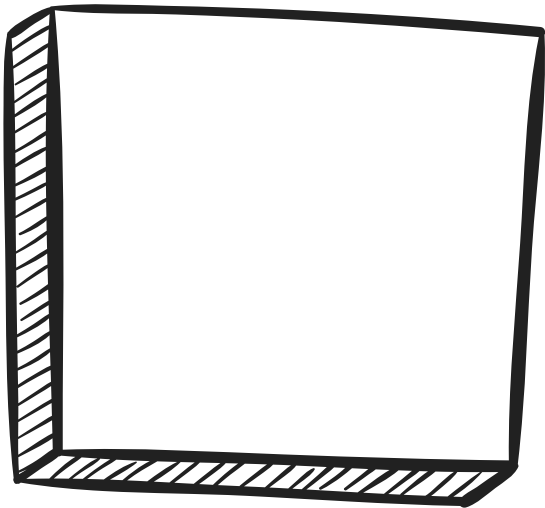

They think their  
report will be ignored

\*This is not a racist

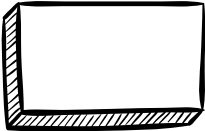

They're scared of  
retaliation from  
their abuser

Statisticians don't accurately report the number of men who are survivors because the number of men who report

not

# 23%

Sexual assaults are reported to the police

According to RAINN
